

BOHEMIAN GROVE

As far as this “conspiracy theorist” can see the only web site that looks into this debacle of demonism attended by many “conservative” political leaders, business gurus and the like is infowars.com sponsored by “conspiracy theorist” Alex Jones. Before we get to his take (and worse) let’s corroborate that such a thing as Bohemian Grove exists and is not just the rants of yours truly or “conspiracy theorist” Alex Jones. On October 16, 2008 the Seattle Post Intelligence had an article entitled “Nation’s power elite at play is no pretty picture” by Columnist Joel Connelly. Here are some excerpts (and “no pretty picture” may be the understatement of the year, if that’s possible in this increasingly bizarre world’s descent “To the Mouth of Madness”):

THE MEN ARE shown with sex toys around their necks, doing skits in blackface, dressed in wigs and women's clothing and consuming copious quantities of alcoholic beverages.

Are these the boys-will-be-boys antics of the wildest frat house on some college campus?

Nope, it's the American power elite at play, as photographed by Alejandro Tomas over 26 years of attending an annual horse ride called Rancheros Visitadores in the Santa Ynez Valley near Santa Barbara, Calif.

Tomas, a senior faculty member at Seattle Central Community College, has assembled a startling photo essay on leisure activities of leading citizens -- including a former president of the United States.

The ride of the rich, in early May, is one of several elite gatherings: Best known is the summer Bohemian Grove encampment in Northern California, where Ronald Reagan and Richard Nixon once huddled over 1968 presidential plans.

This sounds good...it only gets “better” or more aptly more bizarre:

Leaving the mission, those in the saddle plan their sins. Tomas' shots show prostitutes arranging assignations with Rancheros during the upcoming weeklong ride. The hookers come from as far away as Las Vegas.

Liaisons take place away from the Rancho's three encampments, in nearby towns where some of the locals call them "Los Rancho Liquidores."

Who goes on the ride? The club is exclusive, white and male, with a membership limited to 600. A couple hundred invited guests and guys from the wait list attend each year.

Photos from the 1989 ride show Reagan, an honorary member, on a buckboard beside former Interior Secretary William Clark. Gen. P.X. Kelly, commandant of the Marines, also is pictured.

"Ronald Reagan was known as somewhat of a moralist," Tomas explained.

Hence, we have a revealing pair of shots from the '89 ride. The Gipper is shown looking on at a male skit. In the skit, a blown-up sex doll has been discreetly clad in a bra and panties.

Why do power guys do this? Bohemian Grove does have serious lectures -- former Secretary of State George Schultz doesn't go around in a tutu -- but features endless drinking and men dressed in women's clothes. Rancheros are mostly into male bonding.

This is truly sickening; this "conspiracy theorist" actually though highly of Ronald Reagan before reading this. I must admit the guy apparently tried to get America back on the right track with sayings like "A nation not under God is a nation gone under" and his genuine desire to help people of all creeds under real conservative ideals. But something like this begs the question, was he really sincere? He definitely knew about the "conspiracy" since many other global elite types like David Rockefeller (him again?) George Schultz, etc. etc. go to this thing. Was Ronald Reagan doing the best he could to help America while knowing who really runs the show or was he just another lap dog of the global elite like most if not all presidents since Abraham Lincoln? God, the real One, only knows. Anyway even our friend Joel Connelly misses the "conspiracy" while he stares right at with this conclusion:

With millions of excluded Americans ready to curb their power and put a product of Kenya and Kansas into the White House, they'll likely need to drown their sorrows in May. (1)

Hey Joel your "friend" Obama IS a lap dog of the very same David Rockefeller Bohemian Grove types as is indicated by Zbigniew Brzezinski, his "advisor" starting way back when at his (still sealed) days at Columbia University. Recall that the Rockefeller puppy dog/Trilateral Commission co-founder Brzezinski was also an "advisor" to the debacle known as Jimmy Carter. If anybody doubts this supposition may I suggest the Bilderberg Group link on the very list of links you just came from? By the way, is anybody in our sell-out lap dog mainstream snews concerned about "The One's" alleged birthplace in Kenya (i.e. not a "natural born citizen" as is directly required by our "living" Constitution) besides worldnetdaily.com? Apparently Joel Connelly is not.

Let's just run through a few more sources to confirm that this gathering of kooks exists although under an effective mainstream snews blackout not unlike the Bilderberg Group (see the link) before we get to the "conspiracy theorist" Alex Jones, and worse. A simple Google search turns up many resources. Let's start with a web site entitled fair.org that claims a higher up from People Magazine did manage to infiltrate this thing in the summer of 1991:

When Dirk Mathison, San Francisco bureau chief for People magazine, infiltrated the exclusive Bohemian Grove retreat this summer, he got a view into the U.S. elite that very few reporters have glimpsed. Unfortunately, that elite includes the

management of Time Warner, the owner of People, which prevented Mathison from telling his story.

Bohemian Grove, a secluded campground in California's Sonoma County, is the site of an annual two-week gathering of a highly select, all-male club, whose members have included every Republican president since Calvin Coolidge. Current participants include George Bush, Henry Kissinger, James Baker and David Rockefeller -- a virtual who's who of the most powerful men in business and government.

Hmmm. David Rockefeller; we just cannot escape this ROCKEFELLER name can we? (For starters in case you missed it go the 1984 link on the bottom of the New Age page). Now this next quote is interesting given the nefarious Bilderberg Group (see link on the much related links list you just came from). That group's cloak of secrecy is justified by the desire of the attendees, many of whom are Bohemian Grovers including one David Rockefeller, to have "frank and open discussion" (by a group of 120-140 of the world's most powerful political, economic, media and educational elite):

...members maintain that the goings-on there are not newsworthy events, merely private fun.

So what DO they discuss at this ultra secret meetings for "our" apparently very bizarre "conservative" political leaders having "private fun"? More than the latest American Idol results that we in the "imbecile majority" are constantly fed by "our" "free and independent press" apparently:

In fact, official business is conducted there: Policy speeches are regularly made by members and guests, and the club privately boasts that the Manhattan Project was conceived on its grounds.

Other featured speakers included Defense Secretary Richard Cheney on "Major Defense Problems of the 21st Century", former Health, Education and Welfare Secretary Joseph Califano on "America's Health Revolution -- Who Lives, Who Dies, Who Pays", and former Attorney General Elliott Richardson on "Defining the New World Order".

So why doesn't the media, our mainstream snews, report on this debacle of demonism. They're part of the show too, just like the Bilderberg Group...

Time Warner is not the only media corporation with Bohemian connections. The list of Fourth Estate bigwigs who have been members or guests is extensive: Franklin Murphy, the former CEO of the Times Mirror corporation; William Randolph Hearst, Jr.; Jack Howard and Charles Scripps of the Scripps-Howard newspaper chain; Tom Johnson, president of CNN and former publisher of the Los Angeles Times.

The centerpiece of this circus of “conservatives” is a large occult related owl that will be discussed subsequently but this “conspiracy theorist” merely wants to establish that such a weird thing does go on here:

Walter Cronkite, now on the CBS board, hangs out at the same lodge at Bohemian Grove as George Bush and the former chairs of Procter & Gamble and Bank of America; Cronkite's voice has served as the voice of the Owl of Bohemia, a fixture in the club's mock-druidic rituals. (2)

Here’s one from the New York Post that should send shivers down the spine of anyone that puts faith in “our” alleged “conservative” leaders:

July 22, 2004 -- THE power-moguls and political heavyweights now luxuriating at ultra-exclusive retreat Bohemian Grove are unaware that they're being waited on hand-and-foot by a famous gay porn star.

We're told that "**Chad Savage**," who has appeared in such carnal classics as "How the West Was Hung," is supplementing his sex job by working as a valet at Bohemian Grove, the all-male annual gathering inside a 2,700-acre redwood forest in Monte Rio, Calif., that has been attended by every Republican president since Calvin Coolidge, as well as by industrial titans and media magnates.

Savage sure knows how to provide "service." When he starred in "How the West Was Hung" in 1999, one reviewer wrote that he wore a "beatific grin" while engaging in an orgy, and added that his "youthful enthusiasm is entirely winning."

When they're not listening to policy speeches, "Bohos" are known to urinate freely in the redwoods and perform mock-druidic rituals that revolve around a 40-foot-tall stone owl. In one ritual, called "Cremation of Care," members wearing red-hooded robes cremate a coffin effigy of "Dull Care" at the base of the owl altar. (3)

Now does the apparently shocking opening on the home page make more sense? Hopefully you’ve gotten this far. What a bunch of ##### weirdoes...and we haven’t even gotten to the “liberal” “New” Age Mother Earth loons.

Let’s get “conspiracy theorist” Alex Jones (infowars.com) take on this whole debacle of dedication to death by “our” “conservative” political leaders. He is the only person anywhere that has managed to get video of this thing to the “imbecile majority” on a DVD entitled “Dark Secrets Inside Bohemian Grove” (see infowars.com).

Very interestingly Mr. Jones has one article entitled “The Bohemian Grove Is an Offshoot of Skull and Bones – New, Exclusive Photos”. Now Skull and Bones is directly related to the Illuminati and was discussed thoroughly on the bottom of the New Age page (see link 322, the Georgia Guidestones and the eco wackos). Very briefly it is a secret society at Yale University that has included many political, media and “Federal” “Reserve” types from the nineteenth century on. George Bush senior mentions one line of it in his autobiography but no more due to the vow of secrecy members take. That

such a society called “Skull and Bones” does exist was even the subject of a History Channel documentary (Histories Mysteries: Secret Societies DVD) where they discussed the employment of all kinds of death worshipping and bizarre sexual like activities in a coffin. So this pattern of bizarre Sodom and Gomorrah like activity by “our” “conservative” leaders/weirdoes is not just limited to Bohemian Grove.

By the way, does anybody else notice that the very “liberal” environmental movement is always right in the middle of these discussions of the “conservative” “capitalist” Rockefeller/Bush types?

Anyway here are some photos of the “conservatives” that “conspiracy theorist” Alex Jones credits to Bohemian Grove:

1990 • Activities in the Grove

This is a picture of the burning owl ceremony derived from the Ancient Caananites. This is interesting since Nephilim related giants (see Djwhal Khul link on the related links page) like Goliath once occupied the land of Canaan. Very briefly it is the area of modern day Israel and God’s Chosen peoples’ returned there under Moses after 430 years of slavery in “New” Age central, Ancient Egypt, and a 40 year journey through the desert. So the Bible is corroborated once again even in this bizarre scenario. Apparently devil worshipping by “our” higher ups isn’t just limited to say the “liberal” Al Gore led global warming is a “spiritual issue” Mother Earth loons and the rest of the Saint John’s the Divine eco wacko/”New” Age crowd (see Cathedral link on the related links page).

Let's continue.

*Lakeside Talks: (left) Jack Kemp;
(above) Jim Stockdale, Jerry Cole
(right) Jimmy Carter*

So a “liberal” like Brzezinski/Rockefeller lackey Jimmy Carter do show up at these things. Even the Germans get in on the act:

Lakeside 1991: Helmut Schmidt

I'll let "conspiracy theorist" Alex Jones explain this one:

From page 243 (in 1991) German Chancellor Helmut Schmidt addresses the elite of the world at a lakeside talk. Helmut Schmidt, in his own autobiography, "Men and Powers, a Political Retrospective, says that he is a member of the Council on Foreign Relations, the Trilateral Commission and the Bilberberg group. He also says that he has been an active participant in bringing in world government. Mr. Schmidt also said in his book that leaders from globalist bodies travel to the Grove every summer. He talks about secret groves in Germany where they do druidic rituals, but indicates that Bohemian Grove is his favorite place to participate in these rituals.

In Alex Jones' film, Dark Secrets: Inside Bohemian Grove closeups are shown of Helmut Schmidt's book and the text. (4)

Finally here is the image of the book from whence all this came according to "conspiracy theorist" Alex Jones:

Let's look at few tid bits from another article by "conspiracy theorist" Alex Jones that discusses the aforementioned large owl also known as "Moloch":

There are four different effigies that are used in the ceremony. The footage from inside the owl shows one of the effigies propped up against the wall. The effigy has been burned and its metal skeleton remains. It is clearly an effigy of a human

body. Also inside the owl, we see what appear to be electrical generators, wires, stereo systems, public address systems, and amplifiers stacked on top of each other. We can confirm that the owl itself has a metal structure with a stone facing.

Interestingly some parts of the burning owl/human sacrifice ceremony are credited to the Druids. The Druids were included under the “New” Age/modern day Mother Earth umbrella of loons discussed in “The THEorY of LIVEvolution”. Very briefly these characters were around in the BC era in the area of Western Europe and England but were eviscerated by the Roman Empire. Interestingly, they are associated with England’s Stonehenge; and what do we have in Elberton, Georgia? The American Stonehenge brought to us by one RC Christian (see 322, the Georgia Guidestones and the eco wackos link on the New Age page and the link on the related links page here). Today their known history is a mixture of truth and legend not unlike the mythologies of many Ancient cultures like Greece and Egypt. Their big thing was nature worship and human sacrifice with ceremonial fire thrown in. Today many “liberal” “New” Agers consider themselves “Druids”.

In “The THEorY of LIVEvolution” there are many quotes like “imbecile majority” by Freemason historian Manly Hall (who was actually quoting “New” Age gem/devil worshipper Helena Blavatsky), “petty bourgeoisie” by insider historian (and Bill Clinton hero) Carroll Quigley and “human weeds” by Rockefeller supported abortion/eugenicist lovely (and Hillary Clinton hero) Margaret Sanger. Who do you think THEY are referring to? “Conspiracy theorist” Alex Jones answers that question, just in case you were wondering:

Our social lives, going to the football game or the PTA, are somewhat different to the leisure pursuits of the world's elite.

If you were aware of the fact that your neighbor made mock human sacrifices to Moloch, a canaanite deity, would you let them walk your dog? Sit your house? Would you let them baby sit your children?

Yet the global elite that attend the Grove have their fingers on the nuclear launch codes. Is it not therefore in the interest of the American people and the wider world that the veil of secrecy which shadows the activities inside Bohemian Grove be brought to light and exposed for what it is? The edifice for a satanic conspiracy that seeks to dominate and enslave mankind. (5)

So where else do we see this concept of a large, burning effigy in some kind of weird, pagan based ritual? The “New” Agers of course as documented by “conspiracy theorist” Tom Horn in an article entitled “Burning Man Just One of the Signs the Occult is Sweeping the Globe”:

Esoteric festivals with crowds in the tens of thousands are growing in popularity.

BLACK ROCK CITY, Nevada – Across the sea in the UK, Brighton proudly wears the title these days of ‘Capital of Occulture.’ This year’s Occulture festivities exhibited bigger than ever venues – sacred music and dance, clairvoyance, psychic and tarot readers, chakra, traditional witchcraft, tattooing, piercing, fetish Satanism, shamanism, transcendent techniques, and lectures favoring paganism from the Original Book of Shadows.

And then there was the “Pleasure Dome” where magicians, sorcerers and witches discussed their trade, including Mogg Mordon, founder of the Golden Dawn Occult Society, Ralph Harvey a prominent Wiccan High Priest, and Emrys, a Shaman of the Cromlech Covenant.

On the heels of this in the U.S., Burning Man has grown to become the largest ever, surpassing last year’s 33,000 participants as the number of earth worshipping pagans swells the ranks of party-goers from across Canada, Brazil, Germany, Russia and 25 other countries to an isolated corner of Black Rock Desert in Nevada.

As in the past, this year’s clothing-optional Burning Man offers no-holds-barred “Woodstock” style festival where neo-pagans, wiccans, transvestite entertainers, curiosity seekers, and old hippies can go to trance, perform rituals, burn sacrifices to deities, fornicate and otherwise “express” themselves freely.

The 40-foot-high effigy Burning Man (the “Spirit Cave Man” – sacred to local Indians and New Agers) will be torched as usual together with just about everything else at the close of the festivity.

So here we have the “New” Age equivalent of the “conservative” large burning owl debacle. In his DVD “Dark Secrets Inside Bohemian Grove” “conspiracy theorist” Alex Jones records some “New” Age loons praying outside to the gods of white magic in an effort to counteract the “conservative” loons praying inside to black magic.

So just how prevalent is this Satanic assault on Spaceship Earth? More so than your average member of the “imbecile majority” like yours truly would like to believe:

As we approach the culmination of “the new order of the ages”, cult experts forecast a continuing revival of such mysticism. While church attendance continues to decline across the United States and Britain, adherents to the occult expand their “services” to meet the desires and mystical interests of a spiritually hungry world.

New Age expert Judy Vorfeld says, “Dabbling in the realm of the occult is currently stylish. Even some Christians seem unable to avoid the attraction of this colorful, seductive world.”

She's right. From Burning man festivals to public school Environmental Education to faddish television good-guys and bad-girls, today's generation is lapping up as much New Age Occultianity as they can get their hands on. (6)

On jesus-is-savior.com appears these excerpts on world leaders throughout history (Hopefully if you've gotten this far none of this sounds outlandish):

Serial killers, government tyrants, academic liberals, Catholic priests, politicians, Mormon Church higher-ups, Jewish rabbis, environmental extremists, communists, religious heretics, mass murderers, occultists, spies, and the Illuminati share something hideous and grotesque in common. Almost all are homo-sexual. Worse, most of the sick-minded men who comprise these demented social groups are not only homosexual, they practice the most kinky and perverted forms of sexual licentiousness-pedophilia, satanic bondage, physical torture, bisexuality, transvestitism, and even bestiality.

If you doubt this, I invite you to consider the wicked lives of some of these moral degenerates—men like Lenin, Mussolini, Hitler, Marx, Jim Jones, Alfred Kinsey, Michael Jackson, Jacques DeMolay, Bill Clinton, Jim Bakker, Jimmy Swaggart, Mick Jagger, Aleister Crowley, Hubert Humphrey, Paul Tsongas, Martin Luther King, Mario Cuomo, Rudy Giuliani, Jeffrey Dahmer, Richard Speck, and John Wayne Gacy.

In the ancient pagan Mystery Religions, homosexuality and pedophilia were popularized. Worshipers of Baal erected shrines and temples of male prostitution (*I Kings 14*). Roman Emperors Nero, Caligula, and Commodus engaged in incest, sex with boys, bondage, and a variety of evil crimes. So, too, did those in Pharaoh's court. Alexander the Great was a homosexual who loved little boys.

Interestingly our "Ascended Master" RC Christian is associated with the Knights Templar who in turn are credited as the foundation of our current scam system of fiat money producing central banks a la the "Federal" "Reserve" here in Mystery, Babylon.

In the Knights Templar rituals, a crucifix of Jesus was reviled and urinated on, and homosexual orgies were rumored. Strangely, the seal, or coat of arms, of the Order depicted two knights riding on *one* horse! Was this an emblem of their homosexual passion or, as the Templars protested, a statement of their "brotherly love?"

These are just excerpts, the article is harsh but hopefully it WAKES up at least some people. This is from the conclusion:

I do NOT condone hatred towards anyone. In fact, the Bible never directs us to hate anyone (not even the Devil). However, the Bible does teach us to hate evil (Psalm 97:10). The Word of God clearly teaches in Romans 1:26-32 that homosexuality is a horrible sin. According to 1st Corinthians 6:9-10, homosexuals

will not be allowed into Heaven. For that matter, no sinners will be allowed into Heaven. The only hope is through the precious literal blood of Jesus Christ which washes our sins away (Colossians 1:14; 1st John 1:7). I do NOT seek to be unkind to anyone, but the Word of God is not going to change (Matthew 5:18). Sodomy (the Bible's term for homosexuality) is sinful in God's eyes! If you don't like it, then get mad at God. (7)

The Word of God doesn't change; it CANNOT change or we're left with an ambiguous, uncertain situation characteristic of every other worldly religion and human politician.

Just in case you were wondering, the owl has all kinds of relations to "the Angel of Light" or Djwhal Khul or RC Christian or Satan or whatever the hell, pun intended, our political leaders have contacted in the netherworld (see link on related links page Ephesians). First remember the concept of the "dirty bird" discussed in Section IV of Mystery, Babylon, USA. In the Old Testament Book of Isaiah we see a reference to the owl and another "dirty bird" and God, the real One, is not pulling any punches:

For it is the day of the LORD's vengeance, and the year's recompences for the controversy of Zion. And the streams thereof shall be turned into pitch, and the dust thereof into brimstone, and the land thereof shall become burning pitch. It shall not be quenched night or day; the smoke thereof shall go up for ever: from generation to generation it shall lie waste; none shall pass through it for ever and ever. But the cormorant and the bittern shall possess it; the owl and also the raven shall dwell in it: and he shall stretch out upon it the line of confusion and the stones of emptiness. (Verses 34:8-11)

In the book of Job the owl is associated with another "dirty bird" that popped up in the previous discussion about the "Angel of Light" (see Djwhal Khul link):

I am a brother to dragons and a companion to owls. (Verse 30:29)

So what is the ultimate fate to all those who choose to worship the god of this world with things like astrology, burning owl worship, witchcraft, bizarre sexcapades, etc. etc. as opposed to those who take Him up on His simple salvation plan? God, the real One, at the end of Revelation, makes the contrast:

Blessed are they that do his commandments, that they may have the right to the tree of life, and may enter into the gates of the city. For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie (Verse 22:14-15)

In summary, now does my Circle of Life on the New Age page make more sense? Can this world wide runaway freight train ride of satanic descent "To the Mouth of Madness" be stopped? This "conspiracy theorist" says no.

May I once again to invite you to take God, the real One, up on His simple salvation plan on the home page?
